

# Mark Nisski, CRET, R. EEG T., R. EP T., CNIM

PO Box 25841, Anaheim, CA 92825

endbiz@marknisski.com

310 928-6213

714 345-0141

## Leadership

- Team Building and Project Management
- Leadership and Supervision
- Education and Training
- Capital and Operating Budget Management
- Supply and Inventory Management
- Time and Attendance
- Quality Assessment Programs
- Six Sigma business management strategy
- Performance Evaluations
- Personnel Relations
- Scheduling and Resource Management

## Professional

- Intraoperative Neuromonitoring, all modalities during all high-risk procedures.
- QEEG, SEP, EMG, TCeMEP, TOF, H-reflex
- Clinical EEG including premie, neonatal, pediatric, adult and ECS protocols.
- Clinical EP's including somatosensory, visual and auditory evaluations.
- Ambulatory EEG including hookups, data analysis and reduction.
- NCVS; motor & sensory, orthodromic, antidromic, F-waves, H-reflex.
- Electrocorticography (ECoG)
- Continuous Long Term Epilepsy Monitoring (CLTM/EMU)
- CPT, ICD, HCPCS, DRG coding.
- HCFA, HIPAA/HITECH compliance.

## Technical

- Network Routers, firewalls and VPNs
- Server Hardware: AS/400, DEC Alpha systems
- Enterprise-class environments: OpenVMS, VAX-11, RPG, Unix, Linux
- Relational Database Systems: RMS, MySQL, Oracle
- BIND Domain Name Servers
- ESMTP mail servers
- SAMBA/SMB/CIFS file servers
- Class B network setup and maintenance

## Accomplishments

2010 - Installed regional intranet solution.

2010 - Developed IONM Education Program.

2007 - Sabbatical, I took my family on a tour of the United States.

1995 - Formed ENDS of CNJ, LLC (an Electroneurodiagnostic Service Company).

1994 - Redesigned Billing System with proper CPT, HCPCS, DRG coding.

1993 - Installed Electronic Medical Management System with: procedure tracking, patient tracking, medical record management, inventory management and billing interface.

1993 - Developed comprehensive Quality Assessment and Improvement Program.

1992 - Redesigned END Department processes and workflow.

1992 - Developed Department Policy Manual.

1991 - Worked with architects to design a new Neurodiagnostic Department.

1983 - Developed intraoperative monitoring program.

1982 - Performed evoked potential norm study.

## Experience

- Consultant (per diem)  
Gerson Lehrman Group  
850 Third Avenue  
New York, NY 10022  
212-984-3659  
02/2011 -
- Regional Director, West Coast  
IntraNerve Neuromonitoring  
5390 North Academy Suite 300  
Colorado Springs, CO 80918  
866-226-8576  
10/2009 – 12/2010  
Responsible for all west coast operations.
- Senior Technologist  
Sutter Neuroscience Institute  
2801 L Street  
Sacramento, CA 95816  
916-454-2222  
10/2008 – 10/2009  
Responsible for the performance of all advanced electroneurodiagnostic procedures.
- Intraoperative Clinician  
Monmouth Ocean Neurology  
1944 Corlies Avenue, Suite 206  
Neptune, NJ 07753  
732-774-8282  
09/2002 – 03/2007  
Responsible for the performance of all intraoperative neurodiagnostic procedures.
- General Director  
ENDS of CNJ, LLC  
201 Central Ave  
Lakewood, NJ 08701  
1995 - 2007  
Responsible for the overall administration and all clinical practices.
- Assistant Manager, Diagnostic Imaging  
Supervisor, Neurodiagnostic Services  
Jersey Shore University Medical Center  
1945 Route 33  
Neptune, NJ 07754  
732-775-5500  
07/23/1990 - 08/30/2002  
Responsible for the supervision and management of the Diagnostic Imaging and  
Electroneurodiagnostic Department.
- Technologist  
Overlook Hospital  
99 Beauvoir Avenue  
Summit, NJ 07902  
908-522-2000  
1981 – 07/1990  
Responsible for the routine performance of all clinical electroneurodiagnostic procedures.

## Education

6/1981 - United Hospitals, Port Chester, NY  
Accredited Neurodiagnostic Program  
David Doniger, M.D., Program Director  
Jeremiah J. Lewin, Chief Clinical Instructor

2/1981 - Bronx Jacobi, Albert Einstein Medical School, Bronx, NY  
Electroneurodiagnostic Internship

6/1982 – University of Iowa, Iowa City  
Evoked Potential Fellowship  
John R. Knott, Ph.D. Emeritus Professor of Neurology and Psychiatry

1/1984 - Oxford Medilog, Tampa, FL  
Ambulatory Electroencephalography  
Roy Garland, Program Director

11/1987 - Duke University, Durham, NC  
Evoked Potential Course  
Roy Parker, M.D. Program Director

5/1989 - St. Joseph Hospital, Lancaster, PA  
Ambulatory Electroencephalography  
John S. Ebersole, M.D. Chief Clinical Instructor

10/1995 - Jersey Shore Medical Center, Neptune, NJ  
Neurology Symposium  
Elliot Frank, M.D. Program Director

5/1996 - Virginia Commonwealth University, Richmond, VA  
Clinical Neurophysiology  
John M. Pellock, M.D., Course Director

9/1996 - Crozer Chester Medical Center, Crozer, PA  
Electroencephalography  
Kelly Trice, REEGT, Program Director

5/2006 – Eatontown Sheridan, Eatontown, NJ  
Intraoperative Monitoring  
Jeffrey Balzer, PhD, Course Director

9/2010 - Costa Mesa, CA  
Cadwell Nerve Conduction Workshop  
Mary Ellen Burrell, Course Director

02/2010 - Dana Point, CA  
ASNM Comprehensive IOM Data Interpretation and Report Writing  
Monica Clark, Course Administrator

## **Credentials**

October, 2010 - R. EP T.  
American Board of Registration of Electroencephalographic and Evoked Potential Technologists.  
Registry #1117

October, 2006 – CNIM  
American Board of Registration of Electroencephalographic and Evoked Potential Technologists.  
Registry #1169

November, 1997 – R. EEG T.  
American Board of Registration of Electroencephalographic and Evoked Potential Technologists.  
Registry #3083

July, 1981 - CRET  
American Board of Certified and Registered Electroencephalographic Technicians.  
Certification #216

## **Membership**

The American Society of Neurophysiological Monitoring  
20 North Michigan Avenue, Suite 700, Chicago, IL 60602

American Society of Electroneurodiagnostic Technologists  
204 West 7th Street, Carroll, IA 51401

American Clinical Neurophysiology Society  
One Regency Drive, Bloomfield, CT 06002
